

MODEL STL-MC

Manual Combination Tensioner and Sealer

STL-MC

The STL-MC is an all in one manual combination tensioner and sealer for flat surface applications. Designed to cover a large range of strap sizes, the STL-MC run all standard duty sizes and up to 3/4" x .025 high tensile. The STL-MC provides an extra level of safety by rolling the edge after the strap is cut. This robust and reliable tool will be your work horse in a wide range of applications.

FEATURES

- Adjustable to fit 1/2 - 3/4"
- SD/HT up to .025
- Rolled Edge at seal
